

THE AIRRAH TIMES

NEWS FROM THE HIGH COUNCIL

Issue # 1 — May 2026 Edition

Once a month, on the first of every month, I'll share what's happening behind the scenes, what's coming next, and a few whispers traveling across the realms before anyone else hears them.

Behind the Scenes with Jessica

I'm happy to report that on launch day, July 26th, 2026, we are planning on releasing the audiobook version of Anica Storm & The Wand of Time in both English & Spanish!

(if all goes well with our production team meeting their deadline).

Along with the Spanish audiobook, we will also be releasing a Spanish e-book version as well and plan to do so for the other releases. :-)

ARC Readers Wanted

Are you looking for a cinematic, fast-paced story that will make you FEEL every emotion and keep you turning the page like you would binge-watch Netflix?

If you are, I'd love to give you an early copy of the story before release day. In return, all I ask is that you leave an honest review on Goodreads when you're done, and then (most importantly) on Amazon when the book launches on **July 26th, 2026**.
