

THE AIRRAH TIMES

NEWS FROM THE HIGH COUNCIL

Issue # 2— June 2026 Edition

Once a month, on the first of every month, I'll share what's happening behind the scenes, what's coming next, and a few whispers traveling across the realms before anyone else hears them.

One Month Till Launch!

Hey Stormies... I can really use some extra help if you don't mind. We are one month away from launching book 1 of our trilogy (yay!)

I'm trying to get Book 1 out into as many hands as possible

for FREE !

(For A Limited Time Until Launch Day)

No strings attached, no email collection, no spam, nada.

So if you don't mind, *post about it on Social Media.*
Share it on TikTok, Instagram, Facebook, Goodreads...
wherever you hang out.

Let them know "*Hey, check this out! Free Dark Fantasy Book!*"
and tell them why they should read it.
(Because it's the start of a trilogy that gets darker, bigger,
and more emotionally intense with every book.)

Then give them this link:

I appreciate your help and if you do help, pat yourself on your
back... you're on my street team! :-)

What Early Readers Are Saying About Anica Storm & The Wand of Time

Review of advance copy received from Author

May 17, 2026

This story began what could be a typical romance novel with the predictability of that, and then takes off in wild vivid directions, sometimes scary, sometimes humorous. The read is a bit Alice Through the Looking Glass meets The Lord of the Rings meets Dungeon Crawler Carl with a side of Ann Rice. Thoroughly enjoyed and looking forward to the rest of the series.

Anica Storm & The Wand of Time

Book 1 of this trilogy is a refreshingly delightful and well written read – drawing the reader into a fantasy world where the impossible is often quite probable and joy, humor and pathos are artfully mixed together as the reader and characters journey together. Once you pick this tale up, it's hard to put down and we are looking forward to continuing the adventure in Books 2 and 3.

Authorities have confirmed there is no evidence of foul play, though the circumstances surrounding how the child wandered away from his parents remain under investigation.

Sources say the couple may be getting a divorce over the incident but we were unable to reach the O'Brian's for comment.

Use that time wisely to let them know what's been happening, what's going on in your life, and that you miss them dearly.

(Note: They like it when you check in on them to see how they're doing... etc. Especially if you have any juicy gossip!)
