★★★★★ **Engaging Read**

Format: Kindle |

Anica Storm & The Wand of Time - Book 1 of this trilogy is a refreshingly delightful and well written read – drawing the reader into a fantasy world where the impossible is often quite probable and joy, humor and pathos are artfully mixed together as the reader and characters journey together. Once you pick this tale up, it's hard to put down and we are looking forward to continuing the adventure in Books 2 and 3. Received a free advance copy.

Don't Believe The Rumors

Burning Questions:

There's talk and whispers that
the five ultimate wands were
not destroyed...
THAT IS NOT TRUE.

They were indeed destroyed
and live-streamed on
MirrorTube years ago, thrown
into the Hackalaka
Volcano. Do not believe the
lies you hear. Those ultimate
wands were destroyed and the
High Council stands by that
statement.

Love Connections:

Helloooooo? Seriously?
Not one voicemail or letter?
Is it because ya'll are
Elementalphobic?
Does me turning into water
turn you off? Is that it?
You know I can make my
bewbs larger and smaller,
right? I'm also very flexible...
and freaky if that helps... I
mean, come on...
what's not to love?

Geezus... who knew dating
would be so difficult?
Ladies? Anyone?

Still No Leads

**Has anyone see
Professor Abigail?**

Does anyone know what
happened to Professor
Abigail? She hasn't shown up
for class or her lectures in
forever. We're beginning to
worry about her. If you have
any info, please leave it up on
the campus bulletin board.

One Last Thing From Me To You

When launch day arrived for book 1 - I was surprised at how many people ordered the paper AND hardback versions - in fact, even more than the digital eBook version! Wow...

I ordered and proofed the books to be perfect and I'm glad you all spent the few bucks extra to treasure these items. I'm excited to make the print versions for books 2 and 3 and see them on a shelf... and I have no doubt you share in the same excitement.

Thank you for coming with me on this journey and for letting me tell you a story. Talk to you next month!
